

„SAVE THE DATE“ IN JUNE

25 - 27 June 2024
**WELCOME TO
 OPEN HOUSE**

HAITIAN OPEN HOUSE 2024

Dear customers, partners and colleagues,

Haitians 2024 Open House will be held from June 25- 27. Gates will open daily from 09:30 in our Headquarters in Ebermannsdorf, Germany.

This year, we're proud to showcase the entire 5th Generation of machines, demonstrating new levels of innovation and performance.

For your visit, please arrange an appointment with your individual sales manager. Any questions? We are always at your disposal.

We look forward to seeing you!
 Your entire team from Haitian International Germany

Technology to the Point

2024 marks the market readiness of our Generation 5 machines. Discover all machine models through live applications and explore efficient industry solutions, mainly automated, that highlight our expansive product portfolio and the broad range of Haitian and Zhafir machines.

Haitian Machinery

This year for the second time we will introduce products from other divisions of Haitian. We're excited to introduce our sixth and newest division - Haitian Laser Machinery. Also on display for the first time: Auxiliary equipment out of the Haitian Group.

Supporting program

Our supporting program for 2024 is designed to enrich your experience, offering everything from technical insights to networking opportunities and culinary delights. Take part in factory tours, listen to keynote speeches, and meet innovative partner companies presenting their solutions on site.

We look forward to seeing you!
